Home: 360-264-2890

We have pastured pork available for purchase! Our pigs are raised in a stress-free environment here on our ranch. We start them in the protection of our open air barn, and when they get acclimated, they are moved outside onto lush grass pastures, where they are allowed to roam, root and forage. Our pigs are only raised on high quality feed and our own grass. They are all-natural, with no hormones or antibiotics added.

Average weight of half: 110 lbs. hanging weight
Price: \$3.50/ lb.
Custom cutting & wrapping: \$.75/lb.

Curing of hams and bacon is \$1.00/lb of actual weight of ham and bacon.
There is about 26 lbs of ham & bacon to a half.

Total costs for a half is about \$502 which includes curing of hams & bacon.
(Note: there is sales tax on the cutting, wrapping and curing.)
